

GST Antibody

#Cat: NB-19-0019

Size: 0,1ml

Immunogen Data

Description: GST (Glutathione-S-Transferase) is frequently used in fusion protein purification, in which GST is in frame linked to the protein or peptide of interest.

Immunogen: Full length of GST expressed in bacteria. **Alternative names:**

GST26-Tag, Glutathione S-transferase Tag **UniProt ID:** P08515.

Mol. Weight: 26 kDa.

Antibody Data

Host: rabbit

Clonality: polyclonal

Species Reactivity: Schistosoma

Concentration: 0.2 mg/ml **Volume:** 100 ml **Purity:** affinity purified

Storage Buffer: sodium azide 0.05%.

Storage Instruction: Store at 4°C.

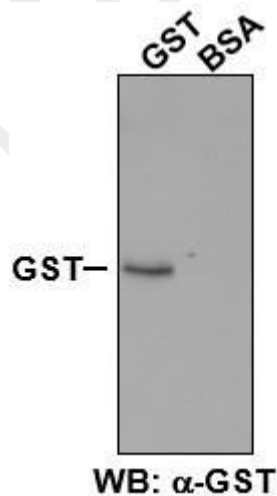

Applications

Tested Applications: GST antibody is recommended for detection of GST of mouse, rat and human origin by Western. The antibody also immunoprecipitates GST.

Recommended Dilutions: WB:

1/100-1/500

IHC/IF: 1/50-1/500

Western blot analysis of recombinant GST fusion protein.

For Research Use Only. Not for Diagnostic or Therapeutic Use.
